

WEEKLY UPDATE

April 1, 2021

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update on the status of COVID-19 in our facility.

As always, our goal is to be transparent and provide you with weekly updates on the status of COVID-19 in our facility, including the current number of positive cases in our facility, how many confirmed cases of COVID-19 we have had since the beginning of this pandemic and our visitation status.

We are currently not caring for anyone with COVID-19 and do not have any employees with COVID-19.

Total Number of Confirmed COVID-19 Cases Since the Onset of the Pandemic: Staff: 38 and Residents: 41

Date of Last Newly Confirmed COVID-19 Case: January 11, 2021

VISITATION STATUS

We have started to welcome families and friends into our facility to reunite and visit with their loved ones. In March we began scheduling indoor visitation twice a day and have open times starting for April with increased times including late afternoon and weekends.

Please call the Receptionist at 262-297-6300 M-F between 9am and 4pm to schedule a visit.

If you do not feel comfortable entering the building, window and virtual visits are still available.

It is very important to remember that if the county positivity rate increases, or if a staff member or resident would test positive for COVID-19, the indoor visits could stop immediately and increased resident and staff testing would resume.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

This week we received adorable Easter treats and handwritten cards from the students at Jackson Elementary School. We will be distributing to everyone on Sunday.

Dining services has planned a wonderful Easter Sunday dinner for our residents to enjoy.

If you have any questions or concerns please contact us directly at 262-297-6300.

Easter Blessings,

Dawn Gordon, NHA
