

## WEEKLY UPDATE

**May 7, 2021**

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update on the status of COVID-19 in our facility.

As always, our goal is to be transparent and provide you with weekly updates on the status of COVID-19 in our facility, including the current number of positive cases in our facility, how many confirmed cases of COVID-19 we have had since the beginning of this pandemic and our visitation status.

We are happy to report that we currently have no confirmed cases of COVID-19 in our facility.

### VISITATION STATUS

With warmer weather arriving, outdoor visitation is happening daily with families and friends and indoor visitation is taking place in a designated area.

Please call the Receptionist at 262-297-6300 M-F between 9am and 4pm to schedule a visit.

If you do not feel comfortable entering the building, window and virtual visits are still available.

It is very important to remember that if the county positivity rate increases, or if a staff member or resident would test positive for COVID-19, the indoor visits would stop immediately and increased resident and staff testing would resume.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

This week we celebrated our nurses with a luncheon, special gifts, and treats throughout the week. Next week is National Nursing Home week and we have a lot of fun things planned throughout the week for both residents and staff. See attachment for our planned calendar of events.

If you have any questions or concerns please contact us directly at 262-297-6300.

Sincerely,

*Dawn Gordon, NHA*
